RADIKAL FÚTBOL

4
activities

Spinning goalkeeper:

A 2×2 m goal, an automatic spinning goalkeeper, and your best shot. **Every goal scores points.** Show your accuracy and beat your record!

1

2

Precision goal:

A 4×2 m goal with 7 targets worth different points. The smaller targets in the corners are worth more points. **Adjust your aim and go for the highest score.**

Shot power tunnel:

No excuses here: only the power of your shot matters. **The radar will decide.**

4

The slope:

The objective is clear: put the ball in the hole and score **100 points**. If you miss, the score decreases depending on the distance. **Only the perfect combination of power and precision will take you to the top.**
